Get Your “DR” Title Now!
Creating Change through Research

Contributing Knowledge to Work

Broadening Perspective through a Ph.D

Enriching Life through “Dr.” Title

This newly revised Doctor of Philosophy (Ph.D) is the only specification that is designed for the industry professionals. The program develops researchers as highly-skilled individuals in preparation for their future careers. Together with his or her research supervisor, every graduate student should discuss the particular training to suit his or her individual needs.

This Ph.D program addressed the current dilemma faced by Ph.D researchers such as

- Complex University Procedures
- Insufficient Monitoring
- Long Waiting Time for Feedback
- Unsuitable Authoritative Supervisors
- Supervisor Dropped Out
- Insufficient Follow Up
- Ambiguous Signals
- Improper Guidance.
